

Name _____

Logical Conclusions

Instructions: Read each passage carefully. Then answer the questions that follow by drawing a conclusion based on what the characters do, say, or feel in the context of the events.

Passage 1 - Tina stared at her phone, then at the front door. She paced the living room and checked the time again. “He’s thirty minutes late,” she mumbled. When the door finally opened, Tina folded her arms and didn’t say a word.

1. What can you conclude about how Tina feels?

- a) She is happy to see him.
- b) She is annoyed or upset.
- c) She is scared.
- d) She is confused.

Passage 2 - Jared’s classmates clapped when he sat back down. He had just finished presenting his science project on volcanoes. His cheeks turned red, and he stared at the table with a small smile.

2. What conclusion can you draw about Jared?

- a) He is embarrassed and proud.
- b) He did not like presenting.
- c) He forgot his project.
- d) He was bored during the presentation.

Passage 3 - Maria walked into the cafeteria and looked around. She spotted a group of kids from her science class and slowly walked toward them. Just as she approached, they stopped talking and looked at her. One girl whispered something, and they all giggled.

3. What can you conclude about Maria’s social experience at school?

- a) She is part of a popular group.
- b) She enjoys spending time with those students.
- c) She may feel excluded or self-conscious.
- d) She wants to sit alone on purpose.

Passage 4 - During the basketball game, Owen missed two important shots. He clenched his jaw and didn’t speak to his teammates afterward. He pulled his hoodie over his head and walked straight past the coach.

4. What can you conclude about Owen’s feelings?

- a) He is proud of his performance.
- b) He is relieved the game is over.
- c) He is angry at his coach.
- d) He is upset with himself.
