

Name _____

Time Traveler's Packing List: Day or Night?

Mission: You're joining a team of time-traveling explorers visiting different places on Earth at different **times of the day**. Since Earth rotates and different parts face the Sun at different times, you'll be arriving **during the day in some places** and **at night in others**.

Your job is to **sort** the items or events below into two categories:

- Things that happen or are used mostly during the **day**
- Things that happen or are used mostly during the **night**

Use what you know about **Earth's rotation** to help decide!

Travel List: (Sort each one into Day 🌞 or Night 🌙)

Wearing sunglasses

Turning on a porch light

Going stargazing

Using a flashlight

Getting ready for bed

Seeing shadows move

Watching the sunrise

Putting on sunscreen

Watching fireflies

Seeing the stars

Reading under a lamp

Looking at clouds in the sky

Playing soccer at recess

Eating lunch outdoors

Seeing the Moon

Day 🌞	Night 🌙
