- **Skill Focus:** Reading comprehension, contextual vocabulary, and word choice.
- **Differentiation Tips:**
  - Provide a simplified word bank for younger readers or mixed-ability groups.
  - Encourage advanced learners to replace word bank items with synonyms or add adjectives (e.g., "shiny eggs," "golden sunrise").
- **Engagement Ideas:**
  - Have students illustrate one scene from the story after completing the cloze activity.
  - Read the story aloud and pause at each blank for a group response before writing.
- **Extension Activities:**
  - Challenge students to write their own short Easter cloze story using at least five new words.
  - Discuss how context clues help readers determine the correct vocabulary meaning in stories.
