Teacher's Guide

- **Differentiation Tips:**
 - Provide a color key (e.g., circle nouns in blue, underline verbs in red) for visual learners.
 - For advanced students, add adjectives and have them identify those too.
- **Engagement Ideas:**
 - Turn it into a "Grammar Egg Hunt": hide paper eggs with sentences for students to find and mark.
 - Use movement-students hop for each verb and clap for each noun they identify aloud.
- **Extension Activities:**
 - Challenge students to write their own short Easter sentence using at least one noun and one verb.
 - Create a class poster of favorite "Easter action words" and "Easter naming words."
