

## Springtime Numbers Answer Key

1. 2 eggs
2. 4 eggs
3. 6 eggs

### Teacher's Guide

- **Skill Focus:** Counting objects and writing numerals to represent quantities.
- **Engagement Ideas:**
  - Turn it into a "mini Easter hunt" by placing paper eggs around the classroom with matching numbers.
  - Let students decorate their own paper eggs after completing the counting.
- **Extension Activities:**
  - Have students write their own counting sentences using spring or Easter themes.
  - Integrate skip-counting practice (e.g., counting by twos with pairs of eggs).
