## Echo Together Answer Key

### Reflection Questions (Sample Answers):

1. Answers will vary. Example: Line 4 ("This place feels magical") was fun because it felt mysterious.
2. Answers will vary. Example: I slowed down my voice and whispered when my partner did.
3. Answers will vary. Example: Line 7 was trickiest because it's longer and includes a question.
4. Echo reading helps with fluency because it builds **expression, pacing, and confidence** in reading aloud.

### Teacher's Guide / Notes

- **Set Clear Expectations:** Remind students to listen closely before echoing so they don't rush ahead.
- **Monitor Volume & Expression:** Encourage partners to adjust loudness and tone to match each other.
- **Encourage Playfulness:** Suggest that students try whispering, adding suspense, or using excited tones to bring the story alive.
- **Extension Option:** After partner practice, invite pairs to perform a short section in front of the class, demonstrating their echo fluency.
