Flow Repair

Directions: Read the disorganized descriptive paragraph below. The sentences are out of order and do not create a clear flow. Rewrite the paragraph so the ideas move logically and smoothly from start to finish.

1. The smell of warm bread drifted from the open door, making my stomach growl.
2. The bakery on the corner looked busy, with people hurrying in and out.
3. I stepped inside and felt the heat from the ovens wash over me.
4. A tray of fresh pastries sat on the counter, their golden tops shining.
5. Outside, cars rolled past and a dog barked somewhere down the street.
