

Name _____

Setting And Mood Shift

Directions: Read the passage below. Your task is to revise the **setting description** so it creates a different mood. Choose one mood to convey: **ominous**, **joyful**, or **lonely**. Rewrite the passage so the details of the setting match the mood you choose.

The small park behind the library was calm in the afternoon. Children played on the swings while a few people read on the benches. The trees swayed gently as a light breeze moved through the branches. Everything felt peaceful and unhurried.
