

Name _____

Smoother Transitions

Directions: Read the paragraph below. Some transitions are weak or missing, making the pacing feel choppy. Revise the paragraph by improving or adding transitions to create smoother flow. Rewrite your improved version in the space provided.

The art studio was bright in the morning. Sunlight streamed across the long tables. The students prepared their supplies. Jars of paint were open. Brushes were scattered everywhere. A faint smell of clay drifted from the back shelves. The room felt ready for creativity.
