

Name _____

Sense Deepener

Directions: Read the passage below. It describes a scene but lacks strong sensory imagery. Revise it by adding details for all five senses: sight, sound, smell, taste, and touch. Rewrite the improved passage in the space provided.

The mountain trail was quiet as Leo began his hike. The air felt cool around him, and he walked slowly along the rocky path. Trees lined the trail, and somewhere nearby there was water. He kept going as the sun rose higher.
