### Teacher's Guide

- **Skill Focus:** Reinforces how **either/or** presents choices and **neither/nor** connects two negatives logically and grammatically.
- **Differentiation Tips:**
  - Provide color-coded cue cards (green for *either/or*, red for *neither/nor*) to visually guide understanding.
  - Allow advanced learners to create their own paired sentences to challenge peers.
- **Engagement Idea:** Turn the exercise into a classroom "match-up race," where teams compete to correctly pair halves on the board.
- **Extension Activity:** Ask students to write two original sentences using both patterns, then swap papers with a partner for peer correction and discussion.
