Directions: Read the story carefully. Fill in each blank with **either** or **neither** to make the sentences correct.

It was Saturday morning, and Jenna couldn't decide how to spend her day.

Her parents offered her two options: she could (1) _____ go hiking with her dad or visit the art fair with her mom. Jenna thought for a moment but didn't feel excited about (2) _____ idea.

Her brother, Max, called from his room and asked, "Do you want to play soccer or go swimming?" Jenna sighed and said, "Honestly, (3) _____ sounds fun right now." She opened the fridge and saw leftover pizza and a salad. She couldn't pick (4) _____ because both looked unappetizing.

Finally, her mom laughed and said, "You don't have to choose (5) _____ option, Jenna. Why don't you take a nap first?" Jenna smiled. That sounded perfect because (6) _____ adventure nor food could beat the joy of a peaceful rest.
