## Bus & Train Schedule

**Directions:** Below is a small **bus and train timetable**. Use it to answer the questions. Remember:

- To find **trip lengths**, subtract the departure time from the arrival time.
- To find **waiting times**, subtract the earlier arrival from the later departure.
- Be careful when the times cross over an hour (like 9:45 → 10:20).

Route	Departure	Arrival
Bus A	8:15 AM	8:50 AM
Train B	9:05 AM	9:40 AM
Bus C	9:45 AM	10:25 AM
Train D	10:30 AM	11:15 AM
Bus E	11:20 AM	11:50 AM
Train F	12:05 PM	12:55 PM
