### Teacher's Guide

- **Differentiation Tips:**
  - Read emotion words aloud and provide context sentences for each.
  - Offer simplified definitions or visual emotion cues for students needing support.
  - Allow verbal reflection sharing for learners who find written tasks challenging.
- **Engagement Ideas:**
  - Have students act out each emotion in small groups and guess the word.
  - Use a "Feelings Spectrum" wall where students post examples of each word.
  - Play a matching card game using emotion words and definitions from the quiz.
- **Extension Ideas:**
  - Encourage students to journal about one emotion word per week using real experiences.
  - Have students create short skits or dialogues using advanced emotional vocabulary.
  - Lead a discussion on how understanding complex emotions supports empathy and self-awareness.
