

Name _____

Ending Blend Check Answer Key

Real words: sand, jump, lamp, vest, wind

Nonsense words: pelst, hent, silmp, tont, frilt

Teacher's Guide

- **Differentiation Tips**
 - Review common ending blends before beginning: st, mp, nd, nt, lt.
 - For students who need support, say each word aloud and ask whether it sounds like a real word they have heard before.
 - Allow advanced learners to create their own real and nonsense ending blend words for classmates to sort.
- **Engagement Ideas**
 - Turn it into a quick partner game where one student reads a word and the other decides if it is real or nonsense.
 - Create a classroom Real Word Wall where students can add any real ending blend words they discover during the day.
- **Extension Activities**
 - Ask students to choose two real words and draw a picture to show their meaning.
 - Have students sort the real words by ending blend to strengthen pattern recognition.
