

Name _____

Ending Digraph Sentence Maker Answer Key

Accept any correctly spelled, meaningful sentences using real ending digraph words from the paragraph.

Possible digraph words: bench, ranch, watched, duck, splash, branch, sing, packed, porch.

Example acceptable sentences:

- I sat on the **bench** to read.
- The bird will **sing** in the morning.
- We stood on the **porch** before going inside.

Teacher's Guide

- This worksheet allows students to demonstrate true understanding of **digraph word meanings** by creating their own context sentences.
- Support early writers by modeling a sample sentence and reviewing how to use capital letters and periods.
- For differentiation, provide a word bank with small illustrations. Challenge advanced students by having them write a short three-sentence story using all chosen words in sequence.
- For engagement, allow students to share one of their sentences aloud and let classmates guess which digraph word they used.
