

Name _____

Fixing Ending Digraphs Answer Key

1. splash
2. lunch
3. branch
4. pinch
5. catch
6. sing
7. swish
8. porch

Teacher's Guide

- This worksheet strengthens students' ability to recognize incorrect **ending digraph spellings** and replace them with correct patterns.
- Support emerging readers by having them say each incorrect word aloud and listen carefully for the true ending sound.
- For differentiation, provide a small list of digraph endings (ck, sh, ch, ng, tch) for reference. Challenge advanced students by asking them to create their own silly sentence with a misspelled digraph word for a partner to fix.
- For engagement, invite students to illustrate one corrected sentence and label the digraph word they fixed.
