Directions: Read the passage below carefully. Then answer the questions that follow by **using explicit actions** to infer implied character traits.

The Stray Kitten

As Maya walked home from school, she spotted a small kitten shivering under a bush. She set down her backpack and carefully scooped the kitten into her arms. Taking off her jacket, she wrapped it gently around the tiny animal. When she reached home, Maya poured some milk into a saucer and placed it on the floor. She patted the kitten softly and whispered, "You'll be safe here."

1. Maya carefully scooped the kitten into her arms.
