"Support the Opinion" Challenge

How This Works: Below are several opinions. Your mission is to provide **1–2 facts** that could be used to **support** each opinion in a logical, persuasive way. The facts don't have to be obscure—just make sure they're plausible, relevant, and based on reality.

PART 1: Strengthen That Opinion!

Opinion 1: "School uniforms help improve student focus."

Support with 1–2 facts:

Opinion 2: "Electric cars are better for the environment than gas-powered cars."

Support with 1–2 facts:

Opinion 3: "Video games can improve problem-solving skills in teens."

Support with 1–2 facts:

Opinion 4: "Libraries are still important in the digital age."

Support with 1–2 facts:

Part 2: Turn the Tables

Pick one of the opinions above and write a fact that someone could use to argue against it instead.

Opinion #: _____ Fact to argue against it: _____
