

Name _____

Opinion Island: Linguistic Treasure Hunt

Instructions: You've arrived on **Opinion Island**, where explorers must find hidden **opinion clue words** before building their treasure map. Read the following sentences carefully and **circle or underline** any **opinion clue words or phrases** (e.g., *I believe, probably, should, best, beautiful, more exciting*, etc.).

There may be **more than one clue word** in a sentence, and not every word is obvious-so read carefully like a true word detective!

Sentences to Explore

1. I believe that koalas are the cutest animals on Earth.
2. This movie is probably going to win an award.
3. The museum has a wide collection of fossils from the Jurassic period.
4. That rollercoaster looks terrifying, but I think it's the best ride in the park.
5. Students should have less homework and more time for fun.
6. The sky was painted in beautiful shades of orange and purple.
7. In my opinion, math is way more exciting than history.
8. Volcanoes form when magma escapes through Earth's crust.
9. This restaurant serves the most delicious pasta I've ever eaten.
10. She is definitely the most talented dancer in the entire school.
11. Many people think video games are a waste of time.
12. Tigers are heavier than lions on average.

Bonus Challenge:

Choose **two opinion clue words** you found above and write your own sentence using each of them.
