### Teacher's Guide

- **Focus Skill:** Understanding when to use **few** for countable nouns and **less** for uncountable nouns.
- **Differentiation Tips:**
  - For developing learners, discuss examples of countable and uncountable nouns before completing the worksheet.
  - Provide sentence starters orally to help students think through each noun type.
- **Engagement Ideas:**
  - Read the sentences aloud and have students hold up "few" or "less" cards.
  - Invite students to create two new sentences of their own using both words correctly.
- **Extension Activities:**
  - Challenge advanced students to explain their reasoning after each answer.
  - Have students illustrate one of their sentences to visually show countable vs. uncountable concepts.
