Teacher's Guide

- **Focus Skill:** Recognizing and applying **few** with countable nouns and **less** with uncountable nouns.
- **Differentiation Tips:**
 - For beginners, preview common countable vs. uncountable examples before playing.
 - Offer visual cue cards with pictures for younger or ELL students to connect the meaning.
- **Engagement Ideas:**
 - Make it a class competition: split students into teams and award points for quick, correct answers.
 - Add movement by letting students step forward or backward for "few" or "less."
- **Extension Activities:**
 - Have students create and read their own sentences aloud for classmates to respond to.
 - Challenge advanced learners to explain why each choice fits, emphasizing the noun type.
