Directions: Read the paragraph below carefully. There are eight incorrect uses of **fewer** or **less**. Find each mistake, then rewrite the paragraph correctly.

At the new community garden, there are less flowers blooming this season. The gardeners planted fewer soil than last year because of heavy rain. Mrs. Green brought fewer water to fill the watering cans, and there was less tools for everyone to use. The children picked less apples from the trees, but they found fewer honey dripping from the hives. Later, they noticed there were fewer sunlight hours and less bees flying around.
