Real-World Exception Sort

Directions: Think of situations where the word **less** can correctly appear with nouns that are usually countable. Write examples of those contexts and complete each sentence with a realistic example. Then, write one example where **fewer** would still be correct for comparison.

1. **Measurement Example:**

   Sentence using *less*: _____

   Sentence using *fewer*: _____

2. **Money Example:**

   Sentence using *less*: _____

   Sentence using *fewer*: _____

3. **Time Example:**

   Sentence using *less*: _____

   Sentence using *fewer*: _____

4. **Distance Example:**

   Sentence using *less*: _____

   Sentence using *fewer*: _____

5. **Statistical or Numeric Example:**

   Sentence using *less*: _____

   Sentence using *fewer*: _____
