

Name _____

Rhyme Sorter Answer Key

- **cat:** hat, bat, rat
- **log:** dog, fog, frog
- **cake:** snake, lake, bake

Teacher's Guide

- **How to use:** Read each target word aloud and stretch the ending sound. Students say each word from the bank and place it under the matching **ending sound**.
- **Differentiate:** For support, sort together by saying the target word and the bank word as a pair. For challenge, ask students to add one new word to each column that also rhymes.
- **Engagement:** Turn it into a quick game. Call out a word and have students point to the column before writing it.
- **Extension:** Have students choose one column and write a short sentence using two rhyming words from that column.
