

Name _____

Ordered Currents

Directions: Finn's life follows a destructive path marked by choices that affect both himself and Huck. Below are **eight key events** presented out of order. Number the events from **1 (earliest)** to **8 (latest)** to show the correct chronological order.

- _____ Finn squanders money through gambling and drinking.
- _____ Finn ignores every chance to change, ultimately cementing his decline.
- _____ Huck begins plotting his escape from Finn's control.
- _____ Finn spends time in taverns, neglecting Huck's needs.
- _____ Finn fails to provide stability, pushing Huck to imagine life apart from him.
- _____ Finn abuses Huck, both physically and emotionally, leaving him fearful.
- _____ Finn kidnaps Huck and locks him in a cabin by the river.
- _____ Finn's reputation in town worsens as people view him as violent and dangerous.

Extension Activity: Choose one event and draw a **symbol** inside the box (example: a broken bottle, a locked door, a river) that represents its significance. Write 2–3 sentences explaining your choice.
