

Name _____

Landscapes of Finn

Directions: Settings in *Finn* are not just backdrops. They shape mood, influence choices, and reflect themes of freedom, confinement, and decay. In this activity, you will **visualize the story's main settings** through drawing, collage, or pasted images inside the provided boxes below.

RIVERBANKS & SHORELINE

THE CABIN

A large, empty rectangular box with an orange border, intended for students to draw or create a collage related to the setting of riverbanks and shoreline.A large, empty rectangular box with an orange border, intended for students to draw or create a collage related to the setting of the cabin.A large, empty rectangular box with an orange border, intended for students to draw or create a collage related to the setting of the town or settlements.
