

## The Battle of the Prompts Answer Key

### Round 1 (Sports)

- **Version A:** *Talk about sports.* → Very vague.
- **Version B:** *Write about why soccer is good.* → A little clearer, but still opinion-only and narrow.
- **Version D:** *In a short paragraph, explain why teamwork is important in sports, using one example.* → Focused and gives structure.
- **Version C:** *Compare how basketball and soccer are played, including at least two similarities and two differences.* → Specific, measurable, and balanced.

**Ranking:** A → B → D → C

### Round 2 (Space)

- **Version A:** *Tell me about space.* → Way too broad.
- **Version B:** *Write two facts about the Moon.* → More specific, but very limited.
- **Version C:** *Explain why astronauts need spacesuits and what features help them survive.* → Clear and answerable.
- **Version D:** *In 5-7 sentences, describe how space exploration has changed from the Apollo missions to today's Mars rovers.* → Strongest because it's specific, time-based, and structured.

**Ranking:** A → B → C → D
