Teacher's Guide

- **Differentiation Tips:**
 - For younger students, read the passage aloud and have them underline key details.
 - For older or advanced students, ask them to write a short paragraph explaining how the flag's design tells America's story.
- **Engagement Ideas:**
 - Play patriotic music and discuss how it makes students feel about the flag.
 - Have students create mini paper flags and label what each color means.
- **Extension Activities:**
 - Research and compare the U.S. flag with another country's flag.
 - Write a short poem about what the flag means to them.
 - Discuss why symbols like the flag are important for unity and identity.
