

Name _____

Verses Of Valor Answer Key

Sample Responses

Sample Acrostic Poem for "FREEDOM":

Flags waving under blue skies,
Remembering the brave and bold,
Echoes of voices that shaped a dream,
Each star a promise kept,
Daring to stand tall together,
Our hearts beating with pride,
Meeting tomorrow with courage.

Sample Free-Verse Poem:

The flag rises in the wind,
its colors whispering stories of the past.
Each star burns with hope,
each stripe hums with strength.
I see my country in its folds-
a song of freedom still being written.

Teacher's Guide

- **Differentiation Tips:**

- For younger or developing writers, provide word banks with terms like *bravery, unity, stars, courage, honor, liberty*.
- For advanced students, challenge them to use **figurative language** (metaphor, personification, or imagery).

- **Engagement Ideas:**

- Host a "Flag Day Poetry Reading" where students share their work aloud.
- Create a classroom flag display with each poem forming part of a star or stripe.

- **Extension Activities:**

- Compare historical patriotic poems (e.g., "The Star-Spangled Banner" or "America the Beautiful") and discuss tone and imagery.
- Have students write a companion paragraph explaining what their poem means and why they chose their format.
