## From Mind to Voice Answer Key

1. **Animals described:** A deer and a hawk.

*Teacher Note:* Literal comprehension.

2. **Peaceful/natural details:** Whispering pines, flickering sunlight, trickling stream, fresh cool air, wildflowers.

*Teacher Note:* Helps students cite imagery.

3. **Senses engaged:**

- Sight → sunlight, mossy ground, deer, hawk.
- Sound → whispering needles, hawk cry, water trickling.
- Smell → damp earth, wildflowers.

*Teacher Note:* Guides students to recognize multi-sensory writing.

4. **Reason for “secret world”:** The forest feels calm, hidden, and separate from noisy towns—like a special escape.

*Teacher Note:* Builds inferential thinking and connection to tone.
