Cold And Hot Read Answer Key

1. **Natural features:** Thick pines, ridge, stream, wildflowers, rocky ground, valley.

Teacher Note: Literal recall of setting details.

2. **Animals/sounds:** The soaring eagle's call, the stream tumbling over rocks.

Teacher Note: Helps students listen for sound imagery.

3. **Hikers' feelings:** They are tired from the long climb but find the view worthwhile and rewarding.

Teacher Note: Builds inferential comprehension—balancing effort vs. reward.

4. **Vivid view details:** Villages below, smoke from chimneys, bright wildflowers, wide blue sky.

Teacher Note: Guides students to visualize descriptive writing.
