5. B - Sharing and following group rules leads to success

### Teacher's Guide:

- **Differentiation Tips:**
  - Read the story aloud for auditory learners and pause to discuss character feelings.
  - Provide visual aids showing "working alone" vs. "working together" for students needing support with social understanding.
- **Engagement Ideas:**
  - Have students act out the story, switching roles to show different perspectives.
  - Use a real mini "group challenge" in class (like building a paper tower) and reflect on what made teamwork easier.
- **Extension Activities:**
  - Students write a short paragraph describing a time they followed a group rule successfully.
  - Create a "Teamwork Wall" where students list class rules that help everyone cooperate fairly.
