During art class, our teacher asked each table to make one big poster together. At first, Ben wanted to color everything himself. Mia reminded him that in a group, everyone needs to \_\_\_\_\_ and take turns. So Ben decided to \_\_\_\_\_ the crayons with the others.

While drawing, the group had different ideas about what to add. Mia said they should \_\_\_\_\_ to each person's idea before deciding. Liam showed \_\_\_\_\_ by saying, "That's a great idea, Mia!" When someone needed supplies, they offered to \_\_\_\_\_ and find them. By the end of class, their teamwork and choice to \_\_\_\_\_ made their poster bright and beautiful.
