

Name _____

Burning The Midnight Oil

Directions: Read the paragraph carefully. It contains several mistakes with the prepositions **for** and **during**. Rewrite the paragraph, correcting every error while keeping the sentences natural and smooth.

I stayed up during five hours last night to finish my science project. My lamp flickered for the storm outside, but I kept working. During the late night, my cat sat by me, watching quietly. I took a short break for midnight when I grabbed a snack. During the morning, I finally finished my display board and felt proud for my hard work.
