Name _____

Campus News Desk

Directions: Use the details below to write a short *news report* about the school event. Be sure to use **for** to show *how long* things lasted and **during** to show *when* something happened within an event. Write one short paragraph (6-8 sentences) that sounds like a school newspaper article.

Event Details:

- School: Oakridge Middle School
- Event: Annual Science Fair
- Location: School gymnasium
- Date: Friday afternoon
- Duration: Three hours

- Activities: student presentations, robotics showcase, teacher awards
- Surprise: a power outage halfway through
- Ending: students cheered when lights came back

Example Starter: On Friday afternoon, Oakridge Middle School held its Annual Science Fair in the gymnasium.

(Continue the report using **for** and **during** correctly.)
