## Summing the Struggle

**Directions:** Douglass's autobiography is powerful because each chapter builds his story of struggle, growth, and liberation. Your task is to distill the **main idea of the first three chapters into exactly 2-3 sentences**. Focus on the **key events, conflicts, or insights** rather than details. **Choose one word** that captures the tone of the chapter (e.g., "resilience," "suffering," "hope"). Then, **explain briefly (1 sentence)** why you chose that word.
