Name _____

Frequency Fractions

Directions: Use the frequency table. Write each relative frequency as a fraction, decimal, and percentage.

A class survey asked 40 students to choose their favorite type of school activity.

ACTIVITY FREQUENCY	
Sports	12
Art	10
Music	8
Reading	6
Science	4
Total	**40**

$$\textbf{Relative Frequency} = \frac{\text{Category Frequency}}{\text{Total Frequency}}$$

Activity	Fraction	Decimal	Percentage
Sports	_____	_____	_____ %
Art	_____	_____	_____ %
Music	_____	_____	_____ %
Reading	_____	_____	_____ %
Science	_____	_____	_____ %
Total	_____	_____	_____ %
