Frog and Toad Comparison Answer Key

(Sample Responses)

Frog (only)

- Patient: He waits with Toad and even turns the calendar pages each day.
- Cheerful: He is excited about spring and wants to enjoy the outdoors.

Both (shared traits)

- Loyal: They stick together even when one is grumpy.
- Caring: They both value their friendship and want to be with each other.

Toad (only)

- Grumpy: He wants to stay in bed and complains about waking up.
- Stubborn: He insists on sleeping for another month instead of joining Frog.
