## Connecting Through Friendship Answer Key

### (Sample Responses)

1. Frog shows friendship when he patiently tears off a page of the calendar every day to help time pass for Toad. He also stays with Toad even when Toad wants to stay in bed, showing loyalty. These actions prove that good friends are patient, caring, and willing to spend time together even in difficult moments.

2. I have a friend who always encourages me when I feel nervous about schoolwork. We laugh together, and they listen when I need to talk. Our friendship is important to me because it makes me feel supported and happy.

### Creative Task (Model Response)

A friend is patient, kind, and true,

They stay with me in all I do.

Like Frog and Toad through rain or sun,

Friendship makes life much more fun.
