

Name _____

Frog and Toad Problems

Directions: Choose one story from *Frog and Toad Are Friends* (for example: *Spring*). Read carefully and then complete the “case file” below.

Problem and Solution Case File

Case Title (Story Name): _____

The Problem (What goes wrong?): Write what challenge or difficulty the characters face.

The Solution (How it was fixed): Write how the problem was solved in the story.

What This Shows About Friendship: Explain in 2-3 sentences what the solution shows about Frog and Toad’s relationship.

Creative Activity: Imagine Frog and Toad had a **different solution** to the problem. Describe how the story might have ended if they solved it in another way.
