

Name _____

Toad and Frog, True or False

Directions: Read each statement below about the story carefully. If it really happened in the story, write **True**. If it did not happen or is incorrect, write **False**. Correct the false statements by writing the truth in your own words in the provided space below the statement.

True/False

1. Frog tells Toad that winter has come and they should go sledding together.

2. Toad hides under the covers because he wants to stay in bed.

3. Frog helps time pass by tearing one page off the calendar each day.

4. At the end, Toad is cheerful and goes outside with Frog.

5. Frog leaves Toad alone and enjoys spring by himself.

6. The story shows that Frog is patient and caring toward Toad.

Creative Activity: Write your own **True or False** question about Frog and Toad for a classmate to solve. Make sure the answer can be found in the text.
