Lessons from Frog and Toad

Directions: Work with a partner or small group. Read each discussion question below. Take turns sharing your ideas and listening to others. After the group discussion, choose **one question** and write your answer in complete sentences.

1. How does Frog show **patience** in the story? Why is this an important quality in a friend?

2. What moments show **kindness** between Frog and Toad? How do these actions strengthen their friendship?

3. Frog does not give up on Toad even when Toad is grumpy. What does this teach us about **persistence** in friendships?

4. Which lesson (patience, kindness, or persistence) do you think is the **most important**? Why?

5. Can you think of a time in your own life when you showed patience, kindness, or persistence with a friend? What happened?
