

Name _____

Frog and Toad Traits

Directions: Below are two lists: **Traits** and **Text Evidence**. Your job is to match each trait to the piece of evidence that best supports it. Write the correct letter beside the number of each trait.

1. Patient

2. Responsible

3. Cheerful

4. Grumpy

5. Loyal

A. Toad pulls the covers over his head and says he wants to sleep longer instead of going out.

B. Frog sits by Toad's side and turns the calendar pages day after day until spring finally arrives.

C. Frog happily greets the spring weather and encourages Toad to enjoy the outdoors.

D. Toad complains about being tired and insists he is not ready to wake up yet.

E. Frog stays with Toad even when Toad doesn't want to leave his bed, showing steady friendship.

Creative Activity: Choose **one trait** and write a short paragraph explaining how you see this same trait in yourself or someone you know. Use a real-life example.
