

Name _____

Frog and Toad Story Chain

Directions: Below is a list of “cause” actions taken by Frog or Toad. Each one leads to an “effect” or result later in the story. Fill in the missing half of the domino by writing the correct letter that matches the effect.

- | | |
|---|---|
| 1. Frog tells Toad that spring has come and urges him to wake up. | A. Toad hides under the blanket and refuses to get up. |
| 2. Toad insists on sleeping for another month. | B. Frog shows loyalty and patience toward his friend. |
| 3. Frog tears one page off the calendar each day. | C. Toad eventually wakes up cheerful and ready to enjoy spring. |
| 4. Frog stays by Toad until the right time has passed. | D. Toad remains grumpy and says he wants to keep sleeping. |
| 5. Frog finally pulls Toad outside. | E. Time passes more quickly until Toad can be woken again. |

Creative Activity: Imagine another short cause-and-effect pair that *wasn't* in the story. Write your own new pair about Frog and Toad in one or two sentences. Then, draw a picture that shows both the cause and then the effect.
