Frog and Toad's Story Map

Directions: Choose one story from *Frog and Toad Are Friends* (for example: *Spring*). Use the story retelling map below to show the **beginning**, **middle**, and **end** of the story. Write complete sentences for each part.

Beginning: What happens first? Write who is in the story and what problem or situation they face.

Middle: What happens next? Describe two important events that move the story forward.

End: How does the story finish? Explain how the problem is solved or how the characters feel at the end.

Creative Activity: Draw or describe an extra "ending" for the story. What if Frog had not been patient with Toad? How might the story have ended differently?
