### Challenge Projection

10. Answers will vary. (Examples: *At 10:00 p.m. tomorrow, I will be reading a book. / I will be sleeping.*)

### Teacher Notes / Guide

- **Purpose:** This activity helps students visualize **future daily routines** and practice **time-specific actions** in the future continuous tense.
- **Tip:** Encourage students to replace names with their own classmates, favorite celebrities, or family members to make the sentences personal and engaging.
- **Extension Activity:** Have students create a **full daily schedule** (morning, afternoon, evening) for themselves or a character, entirely in **future continuous sentences**.
