Teacher Notes / Guide

- **Purpose:** This mini-quiz mixes recognition (fill-ins), transformation, and production (writing), ensuring mastery of the **future perfect continuous tense**.
- **Key Tip:** Remind students that this tense combines a **future reference point** with an **ongoing action** ("by next year, will have been doing").
- **Extension Idea:** Use the last part as a **peer-sharing activity**, where students exchange answers and check whether each other's sentences meet the formula.
