

Name _____

Future Perfect Completions Answer Key

(Answers will vary, but here are correct examples for teacher reference.)

1. By the year 2050, I **will have traveled to space**.
2. Before I turn 25, I **will have graduated from college**.
3. By the time school ends this year, we **will have finished all our projects**.
4. By next summer, my family **will have moved into a new house**.
5. By the time the sun sets tonight, I **will have completed my homework**.
6. By the end of the decade, scientists **will have discovered cures for more diseases**.
7. By the time the movie ends, we **will have eaten all the popcorn**.
8. By midnight, the chef **will have prepared fifty desserts**.
9. By the time our guests arrive, we **will have cleaned the house**.
10. Before the next holiday, I **will have saved enough money for gifts**.

Teacher Notes:

- This activity blends **grammar practice** with **personal creativity**, making the tense memorable.
- Remind students of the formula: **will have + past participle**.
- Encourage variety: verbs like *completed, traveled, learned, built, written, saved, discovered*.
- Extension: Have students share their best sentence with the class, then work in pairs to expand one prompt into a short paragraph using **future perfect tense** throughout.
