## Looking Back Ahead

**Directions:** Read the passage below. Imagine it was written by historians in the year 2100, looking back at our present time. Then answer the comprehension questions.

**All answers must be written in the future perfect tense.**

Historians in the year 2100 will look back at the early 21st century as a time of great change. By then, people **will have invented** new technologies that transformed communication, travel, and medicine. Entire nations **will have responded** to the challenges of climate change with cleaner energy and stronger policies. Students around the world **will have studied** the global pandemic that shaped the decade. Communities **will have created** new ways of working together online, and scientists **will have expanded** human knowledge farther into space.
